East Midlands Academy Trust Admissions Policy 2021-2022

Introduction

As the admissions Authority for our academies, East Midlands Academy Trust is responsible for the admission arrangements. The policy for the Trust is to follow the relevant local authorities' coordinated admission arrangements:

- Orchard and Shepherdswell: **Milton Keynes Local Authority**
- Northampton International Academy, Hardingstone Academy, Castle Academy, Stimpson Avenue Academy, Prince William School: **Northamptonshire County Council**

It has also been agreed that the Local Authority for which each school is located will manage the coordinated admissions process and, in conjunction with the Trust, allocate admissions applications to each of the academies: this will be coordinated by each Local Authority using a common application form and will be in conjunction with each Local Authority's coordinated scheme setting out timeframes for applications to be processed.

Definitions

Looked after children are children who, at the time of making an application to a school, are:

- In the care of a local authority, or
- Being provided with accommodation by a local authority in exercise of its social services functions

Previously looked after children are children who were looked after, but ceased to be so because they:

- Were adopted under the Adoption Act 1976 or the Adoption and Children Act 2002, or
- Became subject to a child arrangements order, or
- Became subject to a special guardianship order

Siblings:

A sibling is defined as a child's brother or sister. A sibling must be living at the same permanent address and as part of the same family unit (one or two parents plus children) to qualify under this criterion.

For School Admissions purposes, the term sibling includes:

- half-brothers and half-sisters
- step-brothers and step-sisters
- adopted children
- children in foster care
- children living in the same family unit, even if they are not biological brothers and sisters – for example when the parents are not married/in a civil relationship.

Cousins are not regarded as siblings.

Home Address (Child's):

The child's home address is defined as the address at which the child normally resides with their parent/carer at the time of application. If a child lives with parents who are separated, the home address will be treated as the place where the child sleeps for most of the school week (i.e. Sunday night – Thursday night inclusive).

If the child spends equal amounts of time at two addresses, the parents must agree which address they wish to be the child's main address before we can process the application.

Documentary evidence of ownership or rental agreement may be required together with proof of actual permanent residence at the property concerned.

Requests for admission outside the normal age group

Requests for admission outside the normal age group (Summer Born):

Parents/carers who wish to apply for a place in Reception out of the normal age group, should make their request to delay their application in writing to the school in the first instance. The request should be accompanied by reasons for such a request and should be made by **1 December** of the year prior to the year the child should enter Reception if they had not requested to delay applying. This will ensure that if the admission authority does not agree to the request, there is still time for parents/carers to submit an application for the normal year of entry by the statutory deadline (15th January). The admission authority will make a decision on the basis of the circumstances of each case and in the best interests of the child concerned. This will include taking account of:

- the parent's/carer's views;
- information about the child's academic, social and emotional development;
- where relevant, the child's medical history and the views of a medical professional;
- whether the child has previously been educated out of their normal age group;
- whether the child may naturally have fallen into a lower age group if it were not for being born prematurely;
- the Head teacher's views.

What happens next?: The Admission Authority will inform the parents/carers of its decision on the Year group the child should be admitted to when they have to start school (i.e. Reception or Year 1) and will set out clearly the reasons for their decision.

- If the Admissions Committee **agrees** to the parent's/carer's request to delay the application for a Reception place, they will inform the local authority and the parents/carers will then need to make an application for a place in Reception in the normal round of admissions in the following academic year.

Please note – in this following normal admissions round, if the School is oversubscribed, all applications (including delayed applications) for the School will be ranked in accordance with the School's oversubscription criteria. If the application is not successful, parents/carers will

have the right to appeal but, as the purpose of the appeals process is to consider whether a child should be admitted to a particular school, parents/carers do not have a right of appeal if they have been offered a place and it is not in the year group they would like;

- If the Admissions Committee does **not agree** to the application being deferred, there is **no right of appeal** against that decision and the parents/carers will need to make an application to the local authority for a place in Reception by 15th January or make an in-year application for a Year 1 place at the appropriate time.

Requests for admission outside the normal age group (Not Summer Born):

Parents/carers may seek a place for their child out of their normal age group. They must put their request in writing to the school

The Admission Authority of the school will consider the request and make a decision on the basis of the circumstances of each case and in the best interests of the child concerned. This will include taking account of:

- the parent's/carer's views;
- information about the child's academic, social and emotional development;
- where relevant, the child's medical history and the views of a medical professional;
- whether the child has previously been educated out of their normal age group;
- whether the child may naturally have fallen into a lower age group if it were not for being born prematurely;
- the views of the Head teacher of the school concerned.

The Admission Authority of the school **MUST** set out clearly for parents the reasons for their decision about the year group a child should be admitted to.

Parents/carers do not have a right to appeal if they are offered a place at the school but it is not in their preferred age group.
