Letters sent home/on the Website this Week

Year 1 Children coming into school independently

Welcome Back!

We would like to say a big welcome back to everybody. We hope you had a super half term and we are really looking forward to events taking place during our final term before we finish in the summer.

For all up and coming events, please refer to letters on our school website. These are listed weekly in the newsletter.

## Year Three and Four Tennis

On Wednesday it was the annual tennis tournament organised by Alex Dunn. This year it had an extra special feel as it was the first children's tournament to be held on the new tennis courts in Roade.

The two teams were part of last year's competition and the progress in the players performances and skills were amazing. All the team demonstrated that hard work and commitment brings success. The A team successfully won all the five rounds and finished as the winners! The B team finished in a respectable fifth place. We are very proud of all the children's efforts and sportsmanship.

Thank you to Alex for his support and encouragement with the teams and for organising a superb afternoon of tennis. We look forward to using the new courts again.

Good luck to the A team for the next round of matches.

## Walking through the hall

We have recently become aware that some parents have been leaving via the school hall when dropping off their children. May we remind you to exit round the outside of the building and leave through the main doors if the gate is locked. This is to ensure we safeguard any children who may be getting changed in the hall after an early morning sports club.

## Aspens Survey

Below is a survey compiled by Aspens the caterers who provide our children's meals. May you take the time to complete the survey as Aspens would really value your feedback to improve their services further. Thank you.

## East Midlands Academy Trust Awards

We are all really excited to have been invited to the East Midlands Academy Trust Awards ceremony. Award nominations are now closed. Thank you to all those who put someone forward. We have had nominations in all categories, including pupil of the year. We will let you know the outcome after we attend on Tuesday 18th June.

## Star of Week

Once again, the children have been working hard. The children above have been spotted in a variety of curriculum areas for their effort and achievement. Well done to them all.

## Out of School Awards

It always amazes us how many children have hobbies out of school. Here are our children who have achieved success during these activities.

## Handwriting Heroes and Heroines
