### Letters sent home/on the Website this Week

Year 6 SRE letter content of lessons

Aspens Themed Menus

## Lost Property

We currently have a huge amount of lost property in the school office. If your child has lost any items recently then do come along and the office staff will be happy to point you in the direction of the lost property area, where you can take a look.

## Holidays During Term Time

We are becoming increasingly concerned by the number of holidays being taken during term time. May we remind you that in line with government legislation we are not able to authorise holidays during term time. Therefore if you choose to take a holiday during term time that is longer than a 5 day period you are in risk of receiving a penalty notice from the Local Authority.

## Recorder Lessons

We would like to inform you that Mrs Jones, a private recorder tutor has places for the children to learn the recorder from September. These sessions are available for children in Year 2 upwards and cost £2.65 per week. If you wish to enable your child to learn this musical instrument then please do contact Mrs Jones on 07824661899. Thank you.

## Aspens Survey

This week is your final chance to give your views relating to our hot meal provider. This is only a short survey and they would very much value your opinion. Thank you. We have attached below the menus for the up and coming meal days I am sure you will agree they sound delicious!

<https://www.surveymonkey.co.uk/r/HAP0519>

## Absence

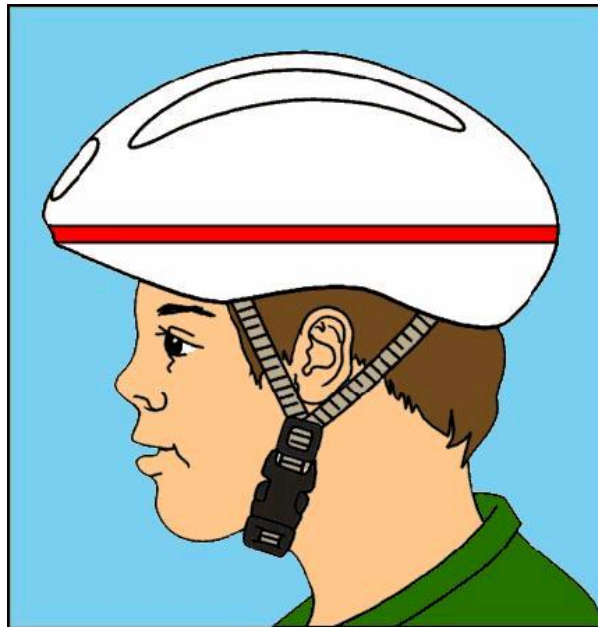

As part of our school procedure we request that if your child is absent and you call to leave a message that you state exactly what the illness is, this will enable us to keep our records up to date. Thank you for your cooperation.

## PTA fathers' Day Gifts

We would like to say a huge thank you to the PTA for organising our Fathers' Day gifts this year. We hope that all of the parents and carers are delighted with the gift that has been chosen just for them. Have a wonderful Fathers' Day!

## Safeguarding

Yet again we have had a number of children riding bikes to school without helmets. Helmets must be worn in order for children to ride their bikes and to keep them safe as they travel to and from school. If we see children arriving without their helmets we will request that they find alternative means of transport. We are sure you will agree that your child's safety is of the highest importance to us all. We have also become concerned at how many children are accessing inappropriate content online. May we request that the use of parent controls are in place and that you monitor closely the websites your child is visiting. If we can offer advice in any way please do not hesitate to contact us.

Once again, the children have been working hard. The children above have been spotted in a variety of curriculum areas for their effort and achievement. Well done to them all.

## Out of School Awards

It always amazes us how many children have hobbies out of school. Here are our children who have achieved success during these activities.

Please see our website for Aspens upcoming themed menus
