Appointment Class Teacher

We are delighted to announce that we have appointed an additional class teacher to be part of the KS2 team. Mrs Carolanne Petrie will be joining us from September. We are currently finalising arrangements for September and you will be informed of your child's class teacher for September before our transition day on Monday 8th July. I am sure you will join us in welcoming Mrs Petrie.

Lost Property

We currently have a huge amount of lost property in the school office. If your child has lost any items recently then do come along and the office staff will be happy to point you in the direction of the lost property area, where you can take a look. We will dispose of all lost property on Friday 19th July so claim your child's belongings as soon as possible.

Sports day

Thank you so much to all of the Parents and Carers who attended the sports day. Even though the weather was temperamental we managed to make it through all of the activities and the children were absolutely amazing. The class teachers managed to complete the races yesterday and we now have the scores on the doors!

Red - Becketts- 1071

Blue -Delapre - 1051

Yellow- Dallington - 1031

Green-Abington - 1030

Well done to all of the teams and a huge well done to Miss Longden for organising yet another brilliant Sports Day.

Reminder- Aspens Survey

This week is your final chance to give your views relating to our hot meal provider. This is only a short survey and they would very much value your opinion. Thank you. We have attached below the menus for the up and coming meal days I am sure you will agree they sound delicious!

Reports

Your child has been given their end of year report today. The reports were a pleasure to read and we are so proud of the children's achievements and the progress they have made. Happy reading and if you do have any concerns or wish to express positives then do make your child's class teacher aware.

Information from our PTA

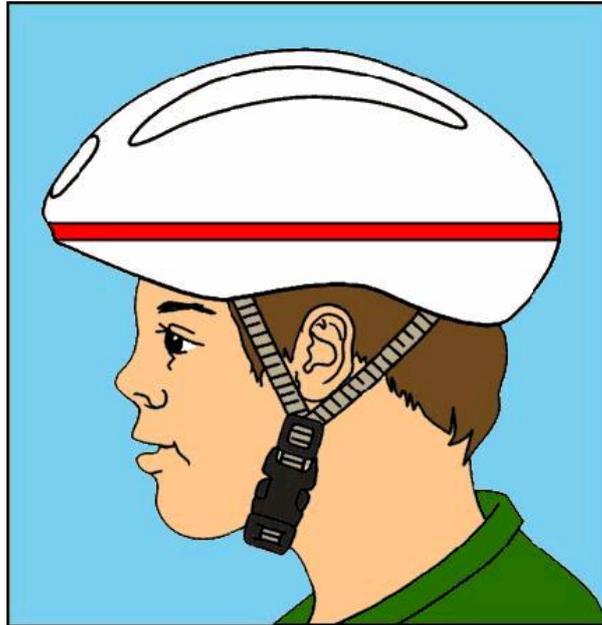

Save the date - Summer Fun Day - Saturday 6th July 1pm - 4pm

If your child does Choir, Gymnastics or Rocksteady, they may be involved with demonstrations. More information on this to follow.

If you have any uniform that no longer fits your child we would appreciate any donations for our second-hand uniform stall.

Do you work for a company that could donate a raffle prize? If so, we would really appreciate any donations to help us raise much needed funds.

Reminder - Safeguarding

Yet again we have had a number of children riding bikes to school without helmets. Helmets must be worn in order for children to ride their bikes and to keep them safe as they travel to and from school. If we see children arriving without their helmets we will request that they find alternative means of transport. We are sure you will agree that your child's safety is of the highest importance to us all. We have also become concerned at how many children are accessing inappropriate content online. May we request that the use of parent controls are in place and that you monitor closely the websites your child is visiting. If we can offer advice in any way please do not hesitate to contact us.

Once again, the children have been working hard. The children above have been spotted in a variety of curriculum areas for their effort and achievement. Well done to them all.

It always amazes us how many children have hobbies out of school. Here are our children who have achieved success during these activities.
