Year 3 and Year 4 Tennis Tournament

On Wednesday Erin, Hudson, Jacob and Molly from Year Four played in the mini reds tennis tournament. The team won their first round of matches a few weeks ago and progressed to play in the second round. The standard was high and the team thrived in the competitive environment. All four players managed to beat their opponents from CCS in the first round and went on to win individual games in the following rounds. There was some amazing tennis on display, it was like being at Wimbledon! The team managed to finish in fourth position. 92 schools are part of our district, so fourth place is an amazing achievement. We are all proud of you. Thank you to Alex Dunn and David Hanson for organising an excellent evening of tennis and Miss Longden and Miss Fordrey for attending.

Year 1 Baptism Event

We would like to say a huge thank you to the members of St Edmunds Church in Hardingstone for hosting our baptism event. The children were able to learn so much from the experience and they thoroughly enjoyed the party afterwards. Thank you to Great British Munch for providing us with party food.

Sporting Events this Week

As some of you will be aware we have had a wealth of sporting activities taking place this week and the children have experienced a variety of sporting competitions out of school. I am sure you will join us in saying a huge thank you to Miss Longden for helping to organise all of the activities, the children who attended and the staff that have supported them. We are proud to be active at Hardingstone Academy and know that all of the children have totally enjoyed their experiences.

If Parents have any questions or queries regarding any school events, then please ask at school. Some Parents have been taking information from Social Media groups such as Whats App and this has caused confusion for staff and for pupils.

Sun Smart

The weather is becoming increasingly warmer. Therefore may you provide your child with a sun hat and sunscreen It would be useful if the sunscreen could be applied before school, how ever we will allow the children to reapply it themselves throughout the day. Thank you.

Permission Slips for School Activities

We are becoming increasingly concerned with the last minute returning of permission slips for school activities. Please note that this has an impact on transportation of children and risk assessments, as these need to be edited at the last minute. Therefore if permission slips are not returned two days prior to school activity your child will not attend or take part. From September you will be required to collect permission slips from the school office and sign to state that your child can attend. An email will not be sufficient we will need a signature. Thank you in advance for your support.

Once again, the children have been working hard. The children above have been spotted in a variety of curriculum areas for their effort and achievement. Well done to them all.
